

WINNICA TURNAU CLASSIQUE BRUT

WINE DESCRIPTION

The wine was created using the unique method of second fermentation in the bottle, which is also called the traditional method (méthode traditionnelle). This is how sparkling wines are created in the Champagne region. The aroma reveals delicately buttery notes. On the palate it brings intense effervescence, grapefruit note and a crisp apple finish.

TERROIR

Winnica Turnau is located in Baniewice, in the southwestern part of the West Pomeranian Voivodeship. This unique region is influenced by air masses from the Atlantic Ocean and the Baltic Sea, as well as the proximity of the Oder River. All these factors shape a climate characterized by a long growing season, warm summers, and mild winters. Such conditions favor the cultivation of demanding grape varieties, allowing them to reach optimal ripeness while maintaining high acidity. Our region is distinguished by a rich network of oxbow lakes, gently rolling moraine hills, and an abundance of flora and fauna. The vineyard is situated on a moraine hill, where the predominant soils are sandy-clay, clay, moderately compact, and moderately permeable. This terroir, combined with ecological viticulture, results in grapes of exceptionally high quality.

WEATHER DURING THE GROWING PERIOD

Wine from several vintages - non-vintage (NV).
